Annex-II**Project Completion Report (PCR): 9.00 lakhs NEC funding**

1. Project Objective (About 100 words): Sikpui Ruoi is the most popular occasion on the Hmar calendar. It is the biggest festival of the year celebrated by the Hmar. It takes place at the time when the weather is superb, with the downpour of monsoon rain already gone entering into early autumn before the arrival of the bitterly cold winter. Sikpui Ruoi is a post-harvest festival. It is celebrated when the community had a good harvest. The Hmar Inpui (apex body of the Hmar tribe) has accepted December 4-5 as the official date to celebrate Sikpui Ruoi.

The Main objective of organizing the festival is to promote communal harmony among the various kindred-tribes inheriting the same lineage, culture, language and geography through our ancestor. It also aims to foster unity and integrity not only among the Hmar Community but also among all Zofate Through this festival, an initiative social fabric can be strengthen through community participation and cultural exchange in Mizoram and the neighboring states. Since this festival is associated with great Celebration with Feast and displaying of various Cultural Items including fashion shows, it is expected to promote brotherhood among the various kindred tribes related to the Hmars
